

By comparing the duties and powers of the Commissioners under the law, and the statements annexed, it will readily appear that they have acted with perfect fidelity, and were fully justified in making the award they have done, by the evidence before them.

The committee recommend that the papers be forthwith returned to the Commissioners, and for that purpose herewith report an order directing the Clerk to transmit them immediately, and hope it will be adopted by the House.

All of which is respectfully submitted,

J. W. CRISFIELD,
I. D. MAULSBY,
WILLIAM H. TUCK,
HENRY HARDING,
J. R. HOPEWELL,

Committee.

By order,
BENJAMIN SEEGAR, Clerk.
